
The 16th Annual Pediatric Emergency Medicine Update Spring 2014

April 10, 2014 • 8 a.m. to 3 p.m.

Brickhouse Auditorium
Children's Hospital of The King's Daughters
601 Children's Lane, Norfolk, Virginia

Overview:

This professional educational conference is designed to provide emergency physicians, pediatricians, family practitioner and other healthcare providers with state-of-the-art evidence-based information in pediatric emergency medicine. The morning session will begin with the 19th Annual Forrest White Visiting Lectureship presented by Raymond D. Pitetti, MD, MPH. Dr. Pitetti will discuss issues relevant to patient safety in pediatric procedural sedation and analgesia as well as sedation in the difficult and complex patient.

Emergency medicine staff from Children's Hospital of The King's Daughters Emergency Center will present a variety of topics pertinent to the care of the acutely ill child through lectures and case presentations.

Target Audience

This Pediatric Emergency Medicine Update has been organized to inform the pediatrician, family practitioner and emergency department physician. Residents, nurses and other health care professionals are encouraged to attend.

ACGME Competencies

Medical knowledge, patient care, systems-based practice

Children's Hospital *of* The King's Daughters

7 AMA PRA Category I Credit(s)™

Program Agenda:

7:30 a.m.	**Registration and Continental Breakfast**
8:00	**Will Sedation Keep My Child Out of College? Issues Relevant to Patient Safety in Pediatric Procedural Sedation and Analgesia** – *Raymond D. Pitetti, MD, MPH* *19th Annual Forrest White Lecture* Participants will be able to: Identify key patient safety risk issues in pediatric sedation. Describe key personnel and system components essential for the delivery of safe pediatric sedation. Explain current concerns related to the use of ketamine in the pediatric patient.
9:00	**Welcome** – *Michael Poirier, MD, Course Director*
9:10	**Subtle Presentations of Critical Illness in Children** *Joel Clingenpeel, MD* Participants will be able to: Discuss the subtle presentations of critically ill children. Improve management of critically ill children.
10:00	**Break**
10:15	**The Challenges of Pediatric Sepsis - Focus on the Pre-ICU Stage** – *Sandip Godambe, MD, PhD, MBA* Participants will be able to: Review of the pathophysiology, recognition and management of sepsis in children. Discuss some of the challenges presented in pediatric sepsis cases. Define the initial treatment goals. Discuss newer modalities used to improve early detection of sepsis.
11:00	**Clinical Conundrums – What would you do?** *Faiqa Qureshi, MD* Participants will be able to: Discuss difficulties in managing patients with bronchiolitis. Utilize the best approach for evaluating febrile infants. Evaluate the usefulness of the PECARN criteria when managing patients with head injuries.
11:45	**Lunch Served**
12:00	**Noon Conference: Difficult to Sedate? Dealing with sedation of the complex or difficult patient** *Raymond D. Pitetti, MD, MPH* Participants will be able to: Describe sedation modalities to be used in patients with complex past medical history. Identify sedation techniques to be used in the sedation of difficult patients.
1:00	**Break**
1:15	**Case Conference: Non traumatic abdominal emergencies** *Michael P. Poirier, MD* Participants will be able to: Review the care of children with abdominal emergencies.
2:00	**Dermatologic Emergencies: Rashes that will kill you vs. those that just itch** – *Jennifer Mccarthy, MD and Jim Burhop, DO* Participants will be able to: Decipher rashes associated with life threatening conditions from those that can be managed as an outpatient. Review emergency department management of life threatening rashes. Discuss outpatient management/supportive care for non-life threatening rashes.
2:55-3:00	**Closing Remarks** – *Michael Poirier, MD*

Faculty:

Raymond D. Pitetti, MD, MPH
19th Annual Forest White Visiting Lecturer
Associate Professor of Pediatrics
University of Pittsburgh School of Medicine

CHKD/EVMS Faculty:

Jim Burhop, DO
Fellow in Pediatric Emergency Medicine
Eastern Virginia Medical School
Children's Hospital of The King's Daughters

Joel Clingenpeel, MD
Associate Professor of Pediatrics
Eastern Virginia Medical School
Attending Physician
Children's Hospital of The King's Daughters

Sandip Godambe, MD, PhD, MBA
Professor of Pediatrics
Eastern Virginia Medical School
Vice President, Quality & Patient Safety
Attending Physician
Children's Hospital of The King's Daughters

Jennifer Mccarthy, MD
Fellow in Pediatric Emergency Medicine
Eastern Virginia Medical School
Children's Hospital of The King's Daughters

Michael P. Poirier, MD
Associate Professor of Pediatrics
Eastern Virginia Medical School
Attending Physician
Children's Hospital of The King's Daughters

Faiqa Qureshi, MD
Professor of Pediatrics
Eastern Virginia Medical School
Attending Physician
Children's Hospital of The King's Daughters

Direct questions concerning course content to Michael Poirier, MD, CHKD Division of Emergency Medicine, (757) 668-9222.

Accreditation:

Children's Hospital of The King's Daughters is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

CME Credit:

Children's Hospital of The King's Daughters designates this live activity for a maximum of 7 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Travel Information:

Children's Hospital of The King's Daughters is located near downtown Norfolk. From Interstate 64, take the I-264 West Exit to Downtown Norfolk and look for the Children's Hospital direction sign just before Exit 11-B (Brambleton Ave.). Take 11-B and travel West on Brambleton 2 miles to Colley Avenue; turn right on Colley, then left at the second traffic light to Olney Road. CHKD is on the corner of Children's Lane and Olney. Parking is on the left.

Special Services:

If special arrangements are required for an individual with a disability, contact Sylvette Houston-Lockhart at (757) 668-8565 at least 15 days prior to the conference.

Registration Form:

16th Annual Pediatric Emergency Medicine Update **Spring 2014**
