October 24, 2013

Evelyn G. Keever Bioethics Day

Maternal Newborn Transport Reviews (MNTR)

Jamil Khan, MD, neonatologist, CHKD; EVMS perinatologists, Maternal Fetal Medicine

The participant will be able to: State current diagnostic measures and treatment modalities for the high-risk mother, fetus and neonate. Recall outcome data on selected cases of patients referred from regional hospitals and identify opportunities to improve patient outcomes. Describe care and stabilization of the maternal and neonatal transport process to ensure safe and orderly transport of patients. MNTRs are open to physicians and staff with privileges at each respective hospital.

The MNTR schedule is subject to change. Hospitals at which MNTRs are held are listed below for general reference. Please contact Karen Horton, neonatal/perinatal outreach, at (757) 668-9140 to confirm specific dates.

Albemarle Hospital; Chesapeake Regional Medical Center; Bon Secours: DePaul Medical Center, Maryview Medical Center, Mary Immaculate Hospital; Sentara: Leigh Hospital, Obici Hospital, Princess Anne Hospital, Williamsburg Regional Medical Center; The Outer Banks Hospital; Riverside Regional Medical Center; Riverside Shore Memorial Hospital; Southampton Memorial Hospital; Vidant Roanoke Chowan Hospital

1 AMA-PRA Category 1 Credit(s)™
(each offering)
Competencies: medical knowledge,
patient care, systems-based practice

MNTR Planning Committee Karen Horton, RN, BSN

aren Horton, KN, BS Jamil Khan, MD

Target Audience: Activities are designed for pediatricians and family practice physicians. Residents and other health care professionals are also encouraged to attend.

Accreditation: Children's Hospital of The King's Daughters is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

CME Credit: Children's Hospital of The King's Daughters designates this live activity for a maximum of (see each entry) *AMA-PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Inclement Weather: If inclement weather conditions develop, please call (757) 668-7500 to learn the status of the program you're planning to attend.
