Community Grand Rounds

Celiac Disease in the Pediatric Patient: The subtle signs and tests

Orhan K. Atay, MD, pediatric gastroenterologist, CHKD

Review the pathophysiology of celiac disease. Review the necessary tests in order to diagnose celiac disease. Discuss the treatment of celiac disease. *Competencies: medical knowledge, patient care*

CHKD Health Center at Oyster Point

Friday, April 19, 7:30-8:30 a.m.

1 AMA-PRA Category 1 Credit(s)[™]

Fever Phobia

Speaker TBD

Riverside Regional Medical Center (Emergency Medicine Faculty Meeting)

Wednesday, May 8, 8:30 – 9:30 a.m.

1 AMA-PRA Category 1 Credit(s)[™]

Awaken Your Creativity, Have Fun & Help Children with ADHD: The Science & Art of Individualized Psychopharmacology

Peter Dozier, MD, pediatric psychiatrist, CHKD

Discuss how naturalistic perspectives of ADHD can inform its pharmacologic treatment. Consider how variability in children's pharmacodynamics and kinetics provide a rationale for individualized treatment. Recall how creative selection of medications, dosage and dosing frequency can achieve successful outcomes. *Competencies: medical knowledge, patient care*

Chesapeake Regional Medical Center

Tuesday, May 14, 12:30-1:30 p.m.

1 AMA-PRA Category 1 Credit(s)[™]

Hyperbilirubinemia

David A. Austin, pediatric hospitalist, CHKD

Identify where current bilirubin phototherapy/exchange transfusion cut-offs originate. Review current guidelines for intervention/hospitalization. *Competencies: medical knowledge, patient care*

CHKD Health Center at Oyster Point

Friday, May 17, 7:30-8:30 a.m.

1 AMA-PRA Category 1 Credit(s)[™]

Sickle Cell Trait – Screening in Athletes

Eric Werner, MD, pediatric oncologist, CHKD

Discuss background and impact of NCAA decision to require sickle trait testing or a signed waiver in Division 1 college athletes. Review AAP policy on Climatic Heat Stress and Exercising Children and Adolescents. Discuss potential implications for the adolescent of their neonatal hemoglobinopathy screen results. *Competencies: medical knowledge, patient care, systems based practice*

Sentara Williamsburg Regional Medical Center

Thursday, June 6, 7:30-8:30 a.m.

1 AMA-PRA Category 1 Credit(s)[™]

Sleep Medicine

Michael Strunc, MD, pediatric sleep medicine specialist, CHKD

Review normal sleep over childhood. Address the most common sleep problems seen in toddler, teen and adolescents. "How to" approach to the snoring child. *Competencies: medical knowledge, patient care*

CHKD Health Center at Oyster Point

Friday, June 21, 7:30-8:30 a.m.

1 AMA-PRA Category 1 Credit(s)[™]

(each offering)

April 11, CHKD Business Meeting – No CME

Maternal Newborn Transport Reviews (MNTR)

Jamil Khan, MD, neonatologist, CHKD;
EVMS perinatologists, Maternal Fetal
Medicine

The participant will be able to: State current diagnostic measures and treatment modalities for the high-risk mother, fetus and neonate. Recall outcome data on selected cases of patients referred from regional hospitals and identify opportunities to improve patient outcomes. Describe care and stabilization of the maternal and neonatal transport process to ensure safe and orderly transport of patients. MNTRs are open to physicians and staff with privileges at each respective hospital.

The MNTR schedule is subject to change. Hospitals at which MNTRs are held are listed below for general reference. Please contact Karen Horton, neonatal/perinatal outreach, at (757) 668-9140 to confirm specific dates.

Albemarle Hospital; Chesapeake Regional Medical Center; Bon Secours: DePaul Medical Center, Maryview Medical Center, Mary Immaculate Hospital; Sentara: Leigh Hospital, Obici Hospital, Princess Anne Hospital, Williamsburg Regional Medical Center, The Outer Banks Hospital; Riverside Regional Medical Center; Riverside Shore Memorial Hospital; Southampton Memorial Hospital; Vidant Roanoke Chowan Hospital

The Donald W. Lewis Pediatric Update

February 7, 2014

Insights into Autism

Conferences

15th Annual Pediatric Emergency Medicine Update

Full day conference with multiple speakers

This professional educational conference is designed to provide emergency physicians, pediatricians, family practitioners and other healthcare providers with state-of-the-art evidence-based information in pediatric emergency medicine. The morning session will begin with the 17th Annual Forrest White Visiting Lectureship presented by William A. Woods, MD. Dr. Woods will discuss the evaluation of children with short falls and hand anatomy and common injuries. Pediatric emergency medicine staff from Children's Hospital of The King's Daughters Emergency Center will present a variety of topics pertinent to pediatric emergency care through lectures and case presentations. Topics include: critical illness, asthma, airway management, misdiagnosed rashes and ENT emergencies.

This Pediatric Emergency Medicine Update has been organized to inform the pediatrician, family practitioner and emergency department physician. Residents, nurses and other health care professionals are encouraged to attend.

For more details, download the brochure or register online at www.chkd.org/conferences.

Pre-register by: April 9, 2013

Fee: \$90 physicians, \$60 other health professionals.

Competencies: Medical knowledge, patient care, systems-based practice

CHKD Brickhouse Auditorium

April 18, 2013

8 a.m.-3 p.m.

7 AMA PRA Category 1 Credit(s)TM

2013 Statewide Obstetrical and Neonatal Conference: Incorporating Evidence-based Medicine into Busy Practices

Obstetricians, Pediatricians, Family Physicians and other health care providers in the hospital and office setting will enjoy spending a day at the beach learning about practical, easy steps they can take in their practice to support new and expectant mothers and their babies and families. Course faculty will present evidence-

based advice on how to best support their patients during this critical period in their lives when even small changes can have a lasting impact. The latest guidelines for management and screening of post partum depression for the obstetrician and pediatrician, the national public health initiatives for maternal and child health delivered by the state Health Commissioner and their impact on daily practice, the latest changes in the updated Neonatal Resuscitation Guidelines, the immunologic relationship between mother and child, and the metabolic effects of breastfeeding for mother and baby will all be presented by experts in the field. There will also be a discussion of why so many women choose to breastfeed but then are not successful, led by two physician IBCLC's and members of the Academy of Breastfeeding Medicine. Course faculty includes national, state, and local experts. The course is designed to be very useful and practical by presenting strategies that can immediately be incorporated into daily practice.

Early Bird and regular registration fees apply. For more details about fees and course content, download the brochure and/or register online at www.chkd.org/cme

Competencies: Patient care, medical knowledge, practice-based learning and improvement, interpersonal communications systems-based practice

Virginia Beach Hilton, 3001 Atlantic Avenue, Virginia Beach, Virginia 23451, www.hiltonvb.com

May 10, 2013

7:30a.m.-3:45 p.m.

6.25 AMA PRA Category 1 Credit(s)TM

7th Pediatric and Adolescent Sports Medicine Update for Primary Care

Full day conference with multiple speakers

This conference will review current approaches to evaluating, diagnosing and managing injuries in the pediatric and adolescent athlete. Health care professionals who are caring for young athletes will be able to discuss the most current information as well as apply hands on techniques after attending this conference. This Pediatric & Adolescent Sports Medicine Update has been designed to inform primary care physicians (pediatricians, family practitioners,

internists), emergency medicine physicians, physician assistants, nurse practitioners, physical therapists and certified athletic trainers.

To learn more details, download the brochure or register online, visit www.chkd.org/conferences

Fee: \$85 for physicians; \$65 for other professionals. Discounted rates also apply for a limited time. See website or brochure for more details.

Registration Deadline: June 11

Competencies: Medical knowledge, patient care, systems-based practice

CHKD Brickhouse Auditorium

June 20, 2013

8 a.m.-4 p.m.

7 AMA PRA Category 1 Credit(s)TM

Target Audience: Activities are designed for pediatricians and family practice physicians. Residents and other health care professionals are also encouraged to attend.

Accreditation: Children's Hospital of The King's Daughters is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

CME Credit: Children's Hospital of The King's Daughters designates this live activity for a maximum of (see each entry) *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Inclement Weather: If inclement weather conditions develop, please call (757) 668-7500 to learn the status of the program you're planning to attend.

CHKD Continuing Medical Education Committee: Michelle Brenner, MD; Nancy Leigh Gainfort, RN, BSN; C.W. Gowen, Jr., MD (chairman); Eric Y. Gyuricsko, MD; John Harrington, MD; Janice Karr; Jamil Khan, MD; Windy Mason-Leslie, MD; Amy Perkins; Amy Sampson; Natasha Sriraman, MD; Rosalind K. Whitaker (program manager)
