Overview
This professional educational conference is designed to provide emergency physicians, pediatricians, family practitioner and other healthcare providers with state-of-the-art evidence-based information in pediatric emergency medicine. The morning session will begin with the 22nd Annual Forrest White Visiting Lectureship presented by Chris Kennedy, MD. Dr. Kennedy will discuss the implementation of FACT in pediatric trauma care as well as identify strategies for managing pediatric trauma.

Emergency medicine staff from Children’s Hospital of The King’s Daughters Emergency Department will present a variety of topics pertinent to pediatric emergency care through lectures and case presentations.

Target Audience
This Pediatric Emergency Medicine Update has been organized to inform the pediatrician, family practitioner and emergency department physician. Residents, nurses and other health care professionals are encouraged to attend.

ACGME Competencies
Medical knowledge and patient care, practice-based learning and improvement and systems-based practice.

6.25 AMA PRA Category 1 Credit(s)™

Register online at CHKD.org/CMEregistration.
7:30 a.m.  Registration and Continental Breakfast

8:00  The Road to Understanding Pediatric Trauma Performance: The Implementation of the FACT
  – Chris Kennedy, MD, 21st Annual Forrest White Lecturer
Classify the challenges of pediatric trauma resuscitation for the community hospital. Summarize the results from onsite high fidelity simulation assessments in hospitals in the US and UK for abdominal trauma and head injury care. Recognize potential methods to improve performance through novel methods.

9:00  Welcome – Michael P. Poirier, MD, Course Director

9:10  Alternative Facts about Testicular Torsion - Joel Clingenpeel, MD
Review current evaluation and management strategies for children who present with acute scrotal pain. Recall the limitations of the physical exam, imaging, and history with regard to acute testicular pain.

10:00  Break

10:10  The Neurologist’s Take on the Management of Headaches in Children
  – Michael Strunc, MD
Develop a rational plan in order to not miss serious pathology in children with headaches. Perform appropriate initial care to include imaging, medications and referral.

11:00  Common Pediatric Fractures, and Ones You do not Want to Miss
  – Nicholas White, MD
Develop a management plan on common pediatric fractures and sports injuries. Plan initial therapy to include imaging, reduction and immediate versus delayed referral.

11:45  Break for Lunch

12:00 p.m.  Managing Pediatric Trauma: A Case Based Approach
  – Chris Kennedy, MD
List strategies in the management of pediatric abdominal trauma. Summarize the initial steps in brain injury care. Recognize strategies to improve care.

1:00  Break

1:05  Frustrating Phalanges – Joel Clingenpeel, MD
Discuss management of subungual hematoma/ tuft fracture. Identify several common injuries found in the fingers and toes of pediatric patients.

1:30  Adolescents in the ED – Kelli Petronis, MD
Discuss consent issues in the ED in adolescents. Discuss common reasons for adolescents to present to ED. Discuss uncommon but potentially serious/ life-threatening reasons for adolescents to present to ED. Discuss confidentiality issues with adolescents.

2:00  Fever in the Returned Traveler – Meg Eason, MD
Develop a differential diagnosis and workup plan for fever in returning travelers. Take an adequate travel history. Plan the management for common febrile illnesses present in travelers.

2:30  Environmental Emergencies – Kristin Herbert, MD
Develop a differential diagnosis and workup plan for common environmental illness in children. Take an adequate environmental history. Plan the management for these illnesses

2:55 - 3:00  Closing Remarks and Wrap Up – Michael Poirier, MD

Register online at CHKD.org/CMEregistration.
Accreditation
Children's Hospital of The King's Daughters is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

CME Credit
Children's Hospital of The King's Daughters designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Travel Information
Children's Hospital of The King's Daughters is located near downtown Norfolk. From Interstate 64, take the I-264 West Exit to Downtown Norfolk and look for the Children's Hospital direction sign just before Exit 11-B (Brambleton Ave.). Take 11-B and travel West on Brambleton 2 miles to Colley Avenue; turn right on Colley, then left at the second traffic light to Olney Road. CHKD is on the corner of Children's Lane and Olney. Parking is on the left.

Special Services
If special arrangements are required for an individual with a disability, contact Sylvette Houston-Lockhart at (757) 668-8565 at least 15 days prior to the conference.

REGISTRATION FORM

19th Annual Pediatric Emergency Medicine Update
Spring 2017

Registration Information
