Overview
This professional educational conference is designed to provide emergency physicians, pediatricians, family practitioners and other healthcare providers with state-of-the-art evidence-based information in pediatric emergency medicine. The morning session will begin with the 23rd Annual Forrest White Visiting Lectureship presented by Manish Shah, MD. In the morning session, Dr. Shah will discuss regional and national initiatives to improve the quality of pediatric prehospital care. This theme will be continued in the noon session as he discusses the prehospital management of seizures, respiratory distress/failure, spinal care, shock, allergic reactions and painful injuries in children.

Emergency medicine staff from Children’s Hospital of The King’s Daughters Emergency Center will present a variety of topics pertinent to pediatric emergency care through lectures and case presentations.

Target Audience
This Pediatric Emergency Medicine Update has been organized to inform the pediatrician, family practitioner and emergency department physician. Residents, nurses and other healthcare professionals are encouraged to attend.

6.25 AMA PRA Category 1 Credit(s)™
ACGME Competencies: medical knowledge and patient care and practice-based learning and improvement
Program Agenda

7:30 a.m.  Registration and Continental Breakfast

8:00  Emergency Medical Services: More than Just a Ride to the Hospital  
– Manish I. Shah, MD, MS  
   Explain how prehospital care is a vital component of the healthcare delivery system.  
   Define current disparities, needs and controversies in prehospital care for children.  
   Describe regional and national initiatives to improve the quality of pediatric prehospital care.

9:00  Welcome  
– Michael P. Poirier, MD, Course Director

9:05  Kids With Diarrhea: “Some People Think It’s Funny But It’s Really ...”  
– Jim Schmidt, MD  
   Describe the spectrum of diseases that cause diarrhea in children. Identify the common pathogens causing infectious diarrhea and the role of PCR stool testing for pathogens. Explain treatment options including antibiotics, motility agents, and probiotics.

10:00  Break

10:15  Pediatric Emergency Medicine: A Review of the Literature in 2018  
– Jill Miller, MD  
   Recall new and pertinent topics in pediatric emergency medicine and how to incorporate current recommendations into your daily practice.

11:00  Management of Closed-Head Injury and Concussion  
– Rupa Kapoor, MD  
   Discuss evaluation and risk stratification of pediatric head injury. Discuss management of pediatric head injury based on severity. Review concussion and concussion management.

11:45  Break for Lunch

12:00 p.m.  Providing Evidence-Based Care for Children on Ambulances  
– Dr. Shah  
   Describe the framework for identifying sick pediatric patients. Review prehospital management of seizures, respiratory distress/failure, spinal care, shock, allergic reactions and pain in children.

1:00  Stretch Break

1:05  Poisoning of a Pediatric Patient  
– Michelle Hughes, MD  
   Identify signs and symptoms of common toxins. Review when and how to treat “poisoned” patients. Identify prescription medications that can be deadly to children.

2:00  Balance the Sugar and Salt: Pediatric Endocrine Emergencies  
– Garima Sarda, MD  
   Recognize the symptoms of endocrine emergencies in the pediatric population. Review important diagnostic laboratory findings and the initial management of pediatric endocrine emergencies.

2:30  Common Procedures Done in the Pediatric Emergency Department  
– James Luckey, MD  
   List common procedures performed in the emergency department and office; and recall the indications and appropriate steps for performing these procedures.

3:00  Closing Remarks and Wrap Up  
– Michael Poirier, MD

Register online at CHKD.org/CMEregistration.
Accreditation
Children's Hospital of The King's Daughters is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

CME Credit
Children's Hospital of The King's Daughters designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Travel Information
Children's Hospital of The King's Daughters is located near downtown Norfolk. From Interstate 64, take the I-264 West exit to Downtown Norfolk and look for the Children's Hospital directional sign just before Exit 11-B (Brambleton Ave.). Take 11-B and travel West on Brambleton, 2 miles to Colley Avenue; turn right on Colley, then left at the second traffic light on Olney Road. CHKD is on the corner of Children's Lane and Olney. Parking is on the left.

Special Services
If special arrangements are required for an individual with a disability, contact Sylvette Houston-Lockhart at (757) 668-8565 at least 15 days prior to the conference.

Registration Information
Registration is $90 for physicians and $60 for all other healthcare professionals and should be received by Tuesday, April 3, 2018. The fee includes continental breakfast, coffee break, lunch and conference syllabus. Registrations will be confirmed by email upon receipt of payment.

Registration/Cancellation Policy
Registrations must be received by Tuesday, April 3, 2018. Cancellations must be received in by 5:00 p.m., EST on Friday, April 6, 2018, to receive a tuition refund; however, an administrative fee of $20 will be retained on all cancellations. Refunds will not be given for cancellations received after this date or for "no shows." Cancellations must be submitted in writing and may be emailed to Sylvette.Houston-Lockhart@chkd.org.

(Please print clearly or type.)
