Patient Care, Medical Knowledge, Practice-based Learning and Improvement.

Register at CHKD.org/cmeRegistration
The CHKD Pediatric Trauma Conference is a one-day pediatric conference designed to provide knowledge and skills related to pediatric trauma. In addition, we seek to enhance our community and pediatric colleague's ability to manage pediatric trauma cases. The conference will provide various learning methodologies presented by experts in the areas of pediatric trauma.

**Continuing Medical Education:**
Children's Hospital of The King's Daughters is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

Children's Hospital of The King's Daughters designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing Education:**
Children's Hospital of The King's Daughters is an approved provider of continuing nursing education by the Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. Children's Hospital of The King's Daughters designates this live activity for a maximum of 6.5 CE credit.

**Special Arrangements:**
If special arrangements are required for an individual with a disability, contact Shanon Mack at (757) 668-9282 at least 15 days prior to the conference.

---

**The CHKD Pediatric Trauma Conference has been organized to inform:**
- Pediatricians
- Primary Care Physicians

Register at CHKD.org/cmeRegistration
7:30 a.m.  Registration & Continental Breakfast

8 a.m.  Children’s Hospital of The King’s Daughters (CHKD) Trauma Services Program
Ann Kuhn, MD, FACS, FAAP, Trauma Program Medical Director, CHKD
Discuss the development of the pediatric trauma program at CHKD, including institutional changes that needed to occur, lessons learned, and the future direction of the program.

9:15 a.m.  Pediatric Burns
Michelle K. Hughes, D.O., FAAP, CHKD
Review the pathophysiology of pediatric burns, different classifications, evaluation of specific burns, and course of treatment. Discuss management of the pediatric airway in reference to smoke inhalation from house fires, etc.

10:05 a.m.  Break

10:20 a.m.  Traumatic Injuries in Child Abuse
Suzanne P. Starling, MD, CHKD
Recognize multiple common manifestations of child abuse as well as recall the management and possible outcomes of such cases. Identify common traumatic injuries of child abuse, review the diagnostic workup of child abuse cases, and understand the potential outcomes of child physical abuse.

11:15 a.m.  Considerations in Pediatric Orthopedic Injuries
Allison Crepeau, MD, CHKD
Distinguish the differences between adult orthopedic injuries vs. pediatric injuries. Recall the proper evaluation and treatment of traumatic orthopedic injuries seen in the pediatric population in both the pre-hospital and hospital settings.

12:05 p.m.  Lunch

12:55 p.m.  Blast Injuries
Margaret McGuire, MD, CHKD
Review the different types of blast injuries through the review of a related case.

1:45 p.m.  Air Transport and the Pediatric Patient
Denise Baylous, MSN, RN, CCRN, CFRN, NREMT-P, Nightingale Regional Air Ambulance
Discuss air transport physiology and considerations when transporting the pediatric patient.

2:35 p.m.  Break

2:50 p.m.  Traumatic Head Injuries
Rupa Kapoor, MD, CHKD
Discuss how to identify and perform initial evaluation of head injury in the pediatric patient. Recall best practices in the emergency management of the pediatric head injury will be presented.

3:45 p.m.  Second Victim Support
Karen Mitchell, MSN, RN, CCRC, Vice President, Patient Care Services
Chief Nursing Officer, CHKD
Define “second victim”. Review the recovery stages of a second victim and how the Scott Three-Tiered Interventional Model of Second Victim Support program works, as well as the CHKD based Support U program.

3:10 p.m.  Closing remarks

4:30 p.m.  Tour of Children’s Hospital of The King’s Daughters (pre-registration required)
