WWW.CHKD.ORG/DONALDLEWISPEDiatric UPDATE
Conference Overview:
The Donald W. Lewis Pediatric Update 2014 is a three-day (one full day and two half days) accredited pediatric course that is designed to update the providers’ knowledge and skills by reviewing state-of-the-art diagnoses and treatments in general and subspecialty pediatrics. In addition, we seek to enhance their ability to diagnose and manage complex or difficult cases. We will provide a forum for informal learning and discussion in a plenary setting through interactions with their colleagues and experts.

Who Should Attend
This course is intended for pediatric physicians, primary care physicians, subspecialty physicians, nurse practitioners, residents, fellows and other health care professionals.

Continuing Medical Education Credit
Children’s Hospital of The King’s Daughters is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

Children’s Hospital of The King’s Daughters designates this live activity for a maximum of 13 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Contact Hours
*12.85 Continuing Nursing Education contact hours

The Children’s Hospital of The King’s Daughters is an approved provider of continuing nursing education by the Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Special Services
CHKD is sensitive to the needs of participants. Please indicate any special dietary needs or physical challenges on your registration form.

American Academy of Pediatrics — Virginia Chapter
Lunch on Saturday at 12:30 p.m. is sponsored by the Virginia Chapter of the AAP. All meeting attendees are invited to enjoy a great meal and hear about issues important to Virginia’s pediatricians. Are issues such as adequate payment, safe sleep, obesity, smoking cessation, maintenance of certification, quality improvement, health care reform, mental health, low breastfeeding rates, and/or access to sub-specialists important for your work? Attendees will hear about recent efforts, the current initiatives, and why and how they can help at the local, state, and/or national levels. In addition, the 2014 Child Advocate Award Recipient will be honored and the Keynote Address will be delivered by the President of the Virginia Chapter of the AAP. Lunch attendees will be entered in a drawing for prizes including AAP publications and registration to next year’s conference.

The mission of the Virginia Chapter, American Academy of Pediatrics and The Virginia Pediatric Society is the attainment of optimal health, safety and well-being of Virginia’s children and promotion of pediatricians as the best qualified of all health professionals to provide child health care. If you would like membership information you can visit our website www.virginiapediatrics.org or you may contact Jane Chappell, Executive Director, at (804) 622-8135 or via email at jchappell@ramdocs.org.

After this date, reservations can be made based on space and rate availability only. Please contact the hotel directly to make your reservations at 800-261-9530 or https://resweb.passkey.com/go/9418
Mental Health Focus Days
Diagnosing psychiatric disorders, treating children with psychotropic medication and recommending the most appropriate therapies can tug at the comfort zone of pediatric practice. This mini-course examines the challenges of incorporating mental health care into pediatric practice, reviews the core competencies in diagnosis and treatment, and provides tools to facilitate care for these children.
