

The Bereaved Parents Advisory Council is proud to partner with The King's Daughters to introduce the Remembrance Mile at this year's 20th Annual RunWalk for the Kids, honoring the precious children in the CHKD family whose lives ended too soon.

The Remembrance Mile will be a dedicated space along the RunWalk route where families can gather to celebrate and remember their children while cheering on participants along that allotted mile (exact location to be announced). If you are interested in lining the Remembrance Mile, please feel free to bring posters/pictures of your child, wearing your child's favorite color or honoring them in a way that is meaningful to you.

There is no need to register for the RunWalk to participate in the Remembrance Mile. We hope you will join us as we remember, celebrate, and honor the children who will forever remain in our hearts.

If you would like to participate in the RunWalk in honor of your child, registration is still open for the race, and the Bereaved Parents Advisory Council has an open team welcoming all. When registering under a team, simply type "Bereaved Parent Advisory Council" (Of note, joining a team is not required to participate!)
