Sentara Hospice House, a 12-bed inpatient hospice facility, was created to meet the growing needs of the community for respite and end-of-life care. From nursing services and social work to volunteer and bereavement services, we offer the same full range of inpatient hospice services as currently offered in the hospital. The Sentara Hospice House provides a team of nurses, doctors, medical social workers, volunteers, aides, chaplains and bereavement counselors. Our trained professionals provide comfort and 24-hour care, pain and symptom management, and overall physical and emotional support in a home-like setting for patients and caregivers. Sentara Hospice House is open to patients with life-limiting conditions who qualify for inpatient hospice services. Extensive medical and nursing care is provided for treatment of uncontrollable symptoms. Once the symptoms have stabilized, the patient will be transitioned to the home or previous setting – where they feel the most comfortable. Respite services are also available for current hospice patients. Cost & Payment Methods: Private Pay , Private Insurance , Medicaid and Medicare. Virginia provides a variety of services (such as personal care, private duty nursing, respite, residential, etc.) under home and community-based waivers to specifically targeted individuals. Each waiver provides specialized services to help eligible individuals remain in their communities instead of an institution. Commonwealth Coordinated Care Plus Waiver (CCC Plus Waiver) - provides supports in the community rather than in a nursing facility or other specialized care medical facility. This new Waiver combines Elderly or Disabled with Consumer Direction (EDCD) and Technology Assisted (TECH) Waivers. Individuals may choose to receive agency-directed services, consumer-directed services or a combination of the two as long as it is medically appropriate and duplicate services are not provided. Services: Personal Care Services (Agency or Consumer-Directed), Adult Day Health Care, Respite Care (Agency or Consumer- Directed), Skilled Private Duty Nursing (RN and LPN), Personal Emergency Response System (PERS), may include medication monitoring, Assistive Technology (AT), and Environmental Modification (EM). How to apply: must request a screening from your local department of Health or Social Services.

Waiver experts are Community Services Board (CSB) employees who are trained in providing information on the Waiver Redesign for people with intellectual disabilities (DD) and includes the BI,FIS and CL Support Waivers.

Ph:757-422-6342 Fax 757-422-6343 Website: www.ast-vb.com	The Social Butterflies Club™ was created for the clients that were having trouble interacting appropriately at school. The clients were bright children, but were labeled “behavior” problems at school. They thought that if they could get these clients in their natural environment to teach these “social graces” (pragmatic language skills), along with the help of some sensory integration techniques, the clients could easily be taught how to act appropriately. Some social programs on the market tended to be too boring or too narrowly focused on one skill at a time. The program addresses multiple goals at one time. Please call for further information.

Our working-class patients earn too much to qualify for Virginia Medicaid but not enough to afford quality medical insurance, usually earning between \$10-\$25 an hour. Lackey Clinic's Eye Care Program use state-of-the-art technology, such as computerized equipment and a retinal camera, to thoroughly evaluate each patient and provide them with a comprehensive eye exam. In addition, our optometrists help manage common conditions such as dry eye, ocular allergies, glaucoma, cataracts, and more. If a patient needs eyeglasses, Lackey Clinic's optometrists will prescribe a new pair of glasses in their custom prescription for free through the New Eyes program. In addition, some patients require specialty eyeglasses with unique prescriptions; in this case, Lackey orders specialty glasses at a reduced cost to those who are candidates.
