Overview

The Children's Hospital of The King's Daughters (CHKD) Pediatric Trauma Conference is a one-day accredited pediatric course that is designed to provide knowledge and skills related to pediatric trauma from content experts. In addition, we seek to enhance our community and pediatric colleagues' ability to manage pediatric trauma cases. We will provide presentations on pediatric trauma along with structured didactic sessions to support comprehensive learning. The conference will provide various learning methodologies presented by experts in the areas of pediatric trauma.

Register at CHKD.org/CME or scan the code.
