Important Information:

- Please have your testing done approximately three (3) days prior to your procedure, according to the schedule below. If testing is not completed as instructed, your child's procedure, surgery, or imaging may be postponed or canceled.
- Masks must be worn properly when entering any CHKD facility and kept in place throughout your stay.
- Only one parent or guardian may go with your child to be tested. No siblings will be allowed.
- If the results are positive, your child's physician or surgeon will call to reschedule the procedure.
- If you do not hear from your child's physician or surgeon, follow the instructions provided and arrive at your scheduled time.
