

Pediatric Grand Rounds

Department of Pediatrics, Eastern Virginia Medical School

Provided by: Office of Continuing Medical Education, Eastern Virginia Medical School

Target Audience: Pediatricians and interested healthcare professionals including medical residents and students

All conferences are held 8:00 – 9:00 AM in the Brickhouse Auditorium

September 5, 2019 Pediatric NF1: A Clinical Update
Sarah Chagnon, MD
Assistant Professor of Pediatrics, EVMS/CHKD
Division of Neurology

Objectives: Determine the clinical criteria for a diagnosis of NF1. Categorize the multisystemic clinical manifestations. Assess the updated role of subspecialty health supervision and monitoring. Determine the indications for neuroimaging. Identify multidisciplinary modalities of treatment. Propose emerging molecular and genetic therapeutics in NF1.

Competencies: Medical Knowledge; Patient Care

September 12, 2019 Pectus Excavatum and Pectus Carinatum
Robert E. Kelly, Jr., MD
Professor of Surgery and Pediatrics
Chief, Division of Pediatric Surgery, EVMS
Surgeon-in-Chief/Vice President for Surgical Affairs/CHKD

Objectives: Evaluate updates in the management of pectus excavatum and pectus carinatum.

Competencies: Patient Care; Medical Knowledge

September 19, 2019 Joint MD-RN Grand Rounds
The A's to ZZZZZ's of Sedation in the Radiology Sedation Infusion Unit: What Providers and Nurses Need to Know About Tests/Procedures with Sedation for Their Patients
Kelli Petronis, MD, Assistant Professor of Pediatrics, EVMS/CHKD
Darlene Brown, RN, G/C Staff Nurse Manager

Objectives: Determine if a patient needs sedation/anesthesia for a test or procedure and if a patient is a good candidate for sedation by Radiology Sedation Infusion Unit, or with anesthesia. Describe scheduling and prescreening processes for both outpatients and inpatients, and what to expect before, during and after their sedation.

Competencies: Patient Care; Medical Knowledge

September 26, 2019 Joint MD-RN Grand Rounds
Quality and Leadership topic
Daniel Hyman MD MMM
Chief Medical and Patient Safety Officer
Patricia Givens, DHA, EdM, RN, NEA-BC
Senior Vice President, Chief Nursing Officer
Children's Hospital Colorado

Objectives: Apply strategies to improve quality of care in a hospital setting.

Competencies: Patient Care; Medical Knowledge
