

Have You Met Dr. Peter Moskal?

As a pediatric orthopedic surgeon, [Dr. Peter Moskal](#) treats a wide variety of orthopedic conditions including complications of neuromuscular disorders and issues that affect the spine, foot, and ankle.

Dr. Moskal began treating patients at CHKD in 2020. Prior to joining CHKD, he attended Eastern Virginia Medical School, where he graduated with honors, and was inducted into the Alpha Omega Alpha Medical Honor Society. After completing his orthopedic residency at the University of North Carolina in Chapel Hill, Dr. Moskal went on to complete an additional year of fellowship training in pediatric orthopedics at Duke University

Hospital in Durham, NC.

Dr. Moskal, who has authored numerous peer-reviewed articles and book chapters, has also presented his research at several national and regional meetings. His clinical interests encompass a wide spectrum of pediatric orthopedic injuries and conditions, including scoliosis and spinal deformity, pediatric fracture care, pediatric foot and ankle deformity, and pediatric sports medicine.

COVID-19 Virtual Town Hall - November Session

On Wednesday, November 10, from 6:30 to 7:30 p.m., join CHKD's Dr. Doug Mitchell, pediatrician and medical director for CHKD's primary care practices, and Dr. Laura Sass, a pediatric infectious disease specialist at CHKD, to discuss myths and science-based facts about the COVID-19 virus and vaccine.
