

**Mental Health**  
LIGHTNING THE WAY

CHKD's pediatric mental health hospital opens 2022.

## Child and Adolescent Inpatient Psychologist Southeastern Virginia

Join the Psychiatry and Psychology Division of Children's Specialty Group (CSG) at Children's Hospital of The King's Daughters (CHKD) in Norfolk, Virginia. As part of CHKD's commitment to address a critical mental health crisis among youth, the health system is building a \$224 million, 60-bed mental health hospital, which includes a partial hospitalization program and robust outpatient services.

Children's Specialty Group and CHKD are seeking full-time inpatient clinical psychologists committed to delivering high-quality care to join our acute general psychiatric unit interdisciplinary treatment teams. The psychologist (PhD or PsyD) will consult to the inpatient milieu and treatment teams to align behavioral plans and treatment goals, direct and lead group therapies, and provide evidence-based treatment and assessment to children and families. The psychologist will possess teaching skills required to train, supervise a variety of learners, and participate in staff training, curriculum development, and evaluation. Faculty appointments at Eastern Virginia Medical School are available for qualified individuals.

### Experience, Education, and Training Requirements:

- Doctorate in Clinical Psychology, either PsyD or PhD from an APA/CPA accredited program, as well as completion of an APA/CPA accredited internship.
- Experience conducting psychological evaluations and psychotherapy with children, adolescents, and adults.
- Experience and comfort working as part of an interdisciplinary team.
- Experience providing clinical supervision to mental health providers.
- Licensed (or license eligible) as a Clinical Psychologist by Virginia Board of Psychology.
- Certification and advanced training in these modalities preferred: Parent Child Interaction Therapy, Cognitive Behavioral Therapy, Trauma Focused Cognitive Behavioral Therapy, Family Based Therapy for Anorexia Nervosa, Dialectical Behavioral Therapy. Advanced training in other modalities also considered.

[Topping Off Ceremony](#)

*Children's Hospital of The King's Daughters (CHKD) is a 206-bed freestanding children's hospital and Level I pediatric trauma center that is located in the center of a thriving medical campus. The wider CHKD health system offers a network of comprehensive pediatric services in more than 40 locations across southeastern Virginia and northeastern North Carolina.*

*Children's Specialty Group, PLLC (CSG) provides pediatric care to patients from southeastern Virginia and northeastern North Carolina. CSG is a physician owned group whose mission is to provide direct high-quality healthcare to children and adolescents, train future clinicians, and conduct research to improve children's health. We are the sole providers of medical specialty care at Children's Hospital of The King's Daughters (CHKD).*
