

Mental Health
LIGHTING THE WAY

CHKD's pediatric mental health hospital opens 2022.

Child and Adolescent Outpatient Psychologist Southeastern Virginia

Join the Psychiatry and Psychology Division of Children's Specialty Group (CSG) at Children's Hospital of The King's Daughters (CHKD) in Norfolk, Virginia. CHKD is lighting the way to a brighter future for our children by transforming the way mental health care is delivered to children and teens. As part of CHKD's commitment to address a critical mental health crisis among youth, the health system is building a \$224 million, 60-bed mental health hospital, which includes a partial hospitalization program and robust outpatient services.

Children's Specialty Group and CHKD are seeking full-time outpatient clinical psychologists committed to delivering high-quality care to join our growing team. The psychologist (PhD or PsyD) will provide evidence-based treatment and assessment to children and families and possess the teaching skills required to train a variety of learners in our training programs. Faculty appointments at Eastern Virginia Medical School are available for qualified individuals.

Experience, Education, and Training Requirements:

- Doctorate in Clinical Psychology, either PsyD or PhD from an APA/CPA accredited program, as well as completion of an APA/CPA accredited internship.
- Experience conducting psychological evaluations and psychotherapy with children, adolescents, and adults.
- Experience and comfort working as part of an interdisciplinary team.
- Experience providing clinical supervision to mental health providers.
- Must be licensed (or license eligible) as a Clinical Psychologist by the Virginia Board of Psychology.
- Certification and advanced training in any of the below evidence-based modalities preferred: Parent Child Interaction Therapy, Cognitive Behavioral Therapy, Trauma Focused Cognitive Behavioral Therapy, Family Based Therapy for Anorexia Nervosa, Dialectical Behavioral Therapy. Advanced training in other modalities also considered.

Children's Hospital of The King's Daughters (CHKD) is a 206-bed freestanding children's hospital and Level I pediatric trauma center that is located in the center of a thriving medical campus. The wider CHKD health system offers a network of comprehensive pediatric services in more than 40 locations across southeastern Virginia and northeastern North Carolina.

Children's Specialty Group, PLLC (CSG) provides pediatric care to patients from southeastern Virginia and northeastern North Carolina. CSG is a physician owned group whose mission is to provide direct high-quality healthcare to children and adolescents, train future clinicians, and conduct research to improve children's health. We are the sole providers of medical specialty care at Children's Hospital of The King's Daughters (CHKD).
