

Children's Surgical Specialty Group - Pediatric Surgery-Nuss Center

PROTOCOL FOR ECHOCARDIOGRAM

- Sector/Echo
Define anatomy and function of the heart. This should include but not be limited to the presence of:
 - Compression
 - Displacement
 - Distortion of shape
Presence of murmurs:
 - Type and grade

Please include the doctor's written interpretation, along with a copy the echocardiogram raw data.
When sending the evaluation, **do not send a CD copy of the echocardiogram.**

Please contact call us with any further questions at the Nuss Center (757) 668-6877 or you can email us at pectus@chkd.org.
